

Data Processing Agreement -- Umbrella Corp

This Data Processing Agreement ("DPA") is entered into between Umbrella Corp ("Vendor") and the Customer identified in the applicable Order Form.

1. Breach Notification. Vendor will notify Customer within 72 hours of becoming aware of a confirmed Personal Data breach affecting Customer's data.
2. Limitation of Liability. Vendor's liability arising out of or related to this DPA is uncapped for a breach of data protection obligations; capped at 6 months of fees paid for all other claims.
3. Audit Rights. Customer may request evidence of Vendor's compliance with this DPA no more than once per calendar year, subject to reasonable advance notice.
4. Subprocessors. Vendor discloses the following subprocessor engaged in the processing of Customer's data: AWS us-east-1, providing cloud hosting infrastructure, located in the USA.
5. Data Deletion. Upon termination of the underlying agreement, Vendor will delete or return all Customer data within the period specified in the Order Form's Termination Assistance schedule.
